Affirmative Action Program

The directors and officers of KPFF, Inc. have long held the belief that our objectives can best be achieved by utilizing to the fullest extent the human resources available to us. This policy statement is intended to remind employees that our policy is to not discriminate in employment. We take affirmative action so that discrimination does not occur on the basis of race, color, sex, sexual orientation, gender identity, religion, national origin, physical or mental disability, veteran's status, creed, age, pregnancy, marital status or citizenship status. Employment decisions will be made so as to further the principle of equal employment opportunity.

KPFF strives to hire, recruit, train, and promote employees in job classifications without regard to race, color, sex, sexual orientation, gender identity, religion, national origin, physical or mental disability, veteran's status, creed, age, pregnancy, marital status or citizenship status. Employment, personnel and promotion decisions will be made in accordance with, and to further the principles of equal employment opportunity.

KPFF also prohibits any harassment of employees based on race, color, sex, sexual orientation, gender identity, religion, national origin, physical or mental disability, veteran's status, creed, age, pregnancy, marital status or citizenship status. Any incidents of harassment should be reported to the employee's immediate supervisor, the Reporting Center Manager, or the President of KPFF. Reports will be investigated and appropriate disciplinary action will be taken, which may include discharge, if prohibited harassment is found to have occurred.

KPFF prohibits discrimination against applicants or employees based on inquiring about, disclosing, or discussing their compensation or the compensation of other applicants or employees.

Each manager, supervisor and employee is responsible for carrying out our equal employment policy. Overall responsibility is assigned to Lindsay Raphael, who may be reached at 1601 Fifth Ave, Suite 1300, Seattle WA 98101, (206) 622-5822, or lindsay.raaphael@kpff.com. Affirmative Action for Individuals with Disabilities

It is the policy of KPFF, Inc. not to discriminate against any employee or applicant for employment because of mental or physical disability, in regard to any position for which the employee or applicant is qualified, and to take affirmative action to employ and advance in employment qualified individuals with disabilities at all levels of employment, including the executive level.

An "individual with a disability" includes any person who has a physical or mental impairment that substantially limits one or more of that person's major life activities, has a record of such an impairment, or is regarded as having such an impairment.

We recognize our obligation to communicate this policy in such a manner as to foster understanding, acceptance and support among our managers, supervisors and other employees.

We are committed to personnel practices that recruit, hire, train and promote persons in all job titles. We make good faith efforts so that all personnel actions are administered without regard to disability, and that employment decisions are based only on valid job requirements.

We have implemented an audit and reporting system to assist our organization in: measuring the effectiveness of this Program; indicating the need for remedial actions; determining the degree to which our objectives are being attained; determining whether individuals with known disabilities are able to participate in KPFF-sponsored educational, training, recreational and social activities; and otherwise measuring our compliance with our Affirmative Action Program.

Our policy is that employees and applicants will not be subjected to harassment, intimidation, threats, coercion or discrimination for filing a complaint, assisting or participating in an investigation, or any other activity related to the administration of section 503 or any other Federal, State or local law requiring equal opportunity for individuals with disabilities.

Lindsay Raphael has been appointed EEO Officer and is assigned responsibility for implementing this Program. This person has the necessary top management support for implementation of the Affirmative Action Plan and may be reached at 1601 Fifth Ave, Suite 1300, Seattle WA 98101, (206) 622-5822, or lindsay.raphael@kpff.com.
